## Broker's Comments

With her large volume and well appointed interior and LIBERTE's renowned blue water sailing capabilities, it is no wonder this yacht is so popular, both on charter and with her owner. LIBERTE has four comfortable double guest staterooms each with ensuite and therefore, can sleep four couples or large family groups. Guests have a choice of dining in the richly paneled beautifully appointed main saloon or al fresco in the shaded cockpit. As her regular charter guests will verify, LIBERTE is not only accommodating and capable but her graceful lines are a welcome addition to any anchorage or marina - the perfect family, tested and approved, blue water cruiser.
